MIDDLESEX WATER COMPANY OVERVIEW

NASDAQ:MSEX

Established in 1897, Middlesex Water Company (MWC) owns and operates regulated water and wastewater utility systems primarily in New Jersey and Delaware. MWC also operates water and wastewater utility systems under contract on behalf of municipal and private clients in New Jersey and Delaware. MWC serves as a trusted provider offering life-sustaining high quality water service for residential, commercial, industrial and fire protection purposes. An investor-owned public utility and professional services provider, the Company specializes in municipal and industrial contract operations and water and wastewater system technical operations and maintenance. The Company and its subsidiaries form the Middlesex Water family of companies, which collectively serve a population of nearly half a million people in New Jersey and Delaware. Named a 2020 Top Workplace in New Jersey and its Delaware subsidiary, a 2020 Superstar in Business, MWC is focused on meeting the needs of our employees, customers, and shareholders. We invest in our people, our infrastructure and the communities we serve to support reliable and resilient utility services, economic growth and quality of life.
