

Middlesex Water Awarded Highland Park Operating Contract

May 28, 2020

ISELIN, N.J., May 28, 2020 (GLOBE NEWSWIRE) -- Middlesex Water Company (NASDAQ:MSEX) today announced that its subsidiary, Utility Service Affiliates, Inc. (USA), has been awarded a ten-year contract to operate and maintain the Borough of Highland Park, New Jersey's water and wastewater systems commencing July 1, 2020.

Under this agreement, USA will maintain the Borough's 38 miles of water main and 239 fire hydrants, serving approximately 3,350 properties in addition to 32 miles of sewer main and over 650 sanitary manholes. The Borough receives all of its water supply from Middlesex Water Company and its wastewater is transported to the Middlesex County Utilities Authority for treatment. The total contract value, as awarded, is \$8.3 million over a 10-year period.

"We appreciate the Borough's confidence in our team of operations professionals who will work to ensure reliability of the water treatment and distribution system as well as the sewer collection system," said Dennis W. Doll, President of Middlesex Water Company. "As a water provider in this region for over 123 years, we're happy to be able to serve as a trusted resource to our local municipalities, help them address their water and wastewater challenges effectively and provide valued technical support as a partner with the Borough," added Doll.
