

Middlesex Water CEO Dennis Doll to Participate in Janney Virtual Utilities Conference

September 14, 2020

ISELIN, N.J., Sept. 14, 2020 (GLOBE NEWSWIRE) -- [Middlesex Water Company](#) has announced that its Chairman, President and CEO Dennis Doll will be participating in a Virtual Utilities Conference hosted by Janney Montgomery Scott on Wednesday, September 16 at 8 a.m. EDT. Mr. Doll will provide an overview of the water industry and share an update on company developments. The Conference is a two-day virtual event to be moderated by Michael Gaugler, Janney Managing Director, Utility & Infrastructure Research. The live presentation as well as a replay of Mr. Doll's webcast will be available in real time and be posted by the next day at <http://www.wsw.com/webcast/jms/msex> or on Middlesex Water's website www.middlesexwater.com under Investors at the News & Events/Presentations Tab. The presentation will be available for 90 days.

About Middlesex Water Company

Established in 1897, Middlesex Water Company (NASDAQ:MSEX) serves as a trusted provider offering life-sustaining high quality water service for residential, commercial, industrial and fire protection purposes. The Company offers a full range of water, wastewater utility and related services. An investor-owned public utility, Middlesex Water is a professional services provider specializing in municipal and industrial contract operations and water and wastewater system technical operations and maintenance. The company and its subsidiaries form the Middlesex Water family of companies, which collectively serve a population of nearly half a million people in New Jersey and Delaware. Named a 2020 Top Workplace in New Jersey, Middlesex is focused on meeting the needs of its employees, customers, and shareholders. The Company invests in its people, infrastructure and the communities it serves to support reliable and resilient utility services, economic growth and quality of life.
