

Middlesex Water Company To Present At NYSSA 12th Annual Water Utilities Industry Conference

December 2, 2008

ISELIN, N.J.--(BUSINESS WIRE)-- Middlesex Water Company (NASDAQ: MSEX), a provider of water, wastewater and related services in New Jersey and Delaware, today announced that President and Chief Executive Officer, Dennis W. Doll, will present a company overview at the New York Society of Security Analysts (NYSSA) 12th Annual Water Conference on Thursday, December 4, 2008 at NYSSA, 1177 Avenue of the Americas, 2nd Floor, New York, New York.

Mr. Doll will provide an overview of the Company, its operations and capabilities as well as describe recent developments and management's growth strategy. Registration and information about the conference is available by calling (212) 541-4530, or online at www.nyssa.org

The presentation, scheduled to begin at 1:15 p.m. Eastern Standard Time, will be available via a live webcast and also following the conference through a link on Middlesex Water's website: www.middlesexwater.com

ABOUT MIDDLESEX WATER COMPANY

Middlesex Water Company, organized in 1897, is an investor-owned water utility, serving customers in central and southern New Jersey and in the State of Delaware. The Company and its New Jersey subsidiaries -- Pinelands Water Company and Pinelands Wastewater Company -- are subject to the regulations of the Board of Public Utilities of the State of New Jersey. Middlesex Water operates the water and wastewater utilities for the City of Perth Amboy through its subsidiary, Utility Service Affiliates (Perth Amboy), Inc. Middlesex Water also provides contract operations services and a service line maintenance program through its non-regulated subsidiary, Utility Service Affiliates, Inc. The Company's regulated Delaware subsidiaries, Tidewater Utilities, Inc., together with Southern Shores Water Company, and Tidewater Environmental Services are subject to the regulations of the Public Service Commission in Delaware. White Marsh Environmental Systems, Inc. operates small water and wastewater systems under contract on a non-regulated basis in Delaware. These companies are also subject to various Federal and State and regulatory agencies concerning water quality standards.
