

Middlesex Water Company Hosts Annual Meeting of Shareholders

May 22, 2008

ISELIN, NJ -- (MARKET WIRE) -- 05/22/08 -- "Organic customer growth, timely and adequate rate case outcomes, and the pursuit of value-driven acquisitions and operating contracts are ways Middlesex Water Company intends to increase shareholder value," said Dennis W. Doll, President and CEO, at the Company's Annual Meeting of Shareholders, held Wednesday, May 21, 2008 at its corporate headquarters. Middlesex Water Company (NASDAQ: MSEX) is a provider of water and wastewater and related services in New Jersey and Delaware.

In his remarks to shareholders, Mr. Doll discussed recent highlights including the Company's being named one of the Top 100 Most Trustworthy Companies in America. He also described the company's growing expertise in offering a full range of water and wastewater solutions and its ongoing commitment to green energy. Mr. Doll discussed the importance of technology in improving business processes and delivering customer service and the Company's plans to implement an enterprise wide technology platform. "We continue to see opportunities for water and wastewater in New Jersey, Delaware, Maryland and beyond as our reputation for providing sound technical solutions grows among developers, municipalities and counties," said Doll.

Bruce O'Connor, Vice President and Chief Financial Officer, reported on the Company's financial performance 2007 and the first quarter of 2008 which included a discussion of the key drivers impacting earnings. Mr. O'Connor also discussed the capital expenditure plans and funding for 2008 as well as the Company's strong dividend yield and investment performance for its shareholders. Management's presentation to shareholders may be viewed on the company's website at www.middlesexwater.com in the Investor Relations area under Presentations.

At the meeting, stockholders of the Company voted to re-elect Directors John R. Middleton, M.D., Jeffries Shein and J. Richard Tompkins. Each director received at least 9,098,808 votes or more than 83% of the total votes represented by shares outstanding or 83% of the total votes cast. Stockholders also voted on two other proposals. The proposal to approve the new 2008 Restricted Stock Plan, passed by a percentage of votes cast at 92%, which is more than the majority of the shares voted. The proposal to approve the Outside Director Stock Compensation Plan passed by a percentage of votes cast at 91%, which is more than the majority of shares voted.

About Middlesex Water Company

Middlesex Water Company, organized in 1897, is an investor-owned water utility, serving customers in central and southern New Jersey and in the State of Delaware. The Company and its New Jersey subsidiaries -- Pinelands Water Company and Pinelands Wastewater Company -- are subject to the regulations of the Board of Public Utilities of the State of New Jersey. Middlesex Water operates the water and wastewater utilities for the City of Perth Amboy through its subsidiary, Utility Service Affiliates (Perth Amboy), Inc. Middlesex Water also provides contract operations services and a service line maintenance program through its non-regulated subsidiary, Utility Service Affiliates, Inc. The Company's regulated Delaware subsidiaries, Tidewater Utilities, Inc., together with Southern Shores Water Company, and Tidewater Environmental Services, Inc. (TESI) are subject to the regulations of the Public Service Commission in Delaware. TESI provides regulated wastewater utility services. White Marsh Environmental Systems, Inc. operates small water and wastewater systems under contract on a non-regulated basis in Delaware. These companies are also subject to various Federal, State and regulatory agencies concerning water and wastewater effluent, quality standards.
