MIDDLESEX WATER COMPANY REPORTS BOIL WATER ADVISORY LIFTED IN THE CITY OF SOUTH AMBOY

August 30, 2011 – 12:15 PM-- Middlesex Water Company is lifting the boil water advisory put in place on Sunday, August 28 for residents of the City of South Amboy following the rupture of a 16-inch main. The Company reports that subsequent water quality testing shows the water quality to be safe.

THE BOIL WATER ADVISORY IS LIFTED and it is no longer necessary to boil your water before using.

The following measures are strongly encouraged at this time:

- Run your water faucets for 3-5 minutes to flush your service connection and interior plumbing with water from the service main.
- Empty and clean your automatic ice makers and water chillers.
- Drain and refill your hot water heater if the temperature is set below 113 degrees Fahrenheit.
- Service connections with a water softener/cartridge filters should be run through a regeneration cycle or other procedures recommended by the manufacturer.
- Water reservoirs in tall buildings should be drained and refilled.

We apologize for any inconvenience and thank you for your patience.

If you have any questions or comments, please contact our Customer Service Department at 732-634-1500.
