

For Immediate release

Robert M. Noel To Be Honored by New Jersey Water Environment Association

ISELIN, NJ December 4, 2014 – Middlesex Water Company is pleased to announce that Robert M. Noel, Superintendent of the Company's affiliates, Pinelands Water and Pinelands Wastewater Companies in Southampton Township, NJ is being recognized by the New Jersey Water Environment Association (NJWEA) at its Annual Scholar Awards Dinner on December 6, 2014.

Noel, a licensed water and wastewater operator with 22 years of experience, is being honored by the Central Section of the NJWEA with the Member Award for his distinguished service to the Section and his efforts in promoting education and advancement in the wastewater field through professional development activities. Noel is a resident of Jamesburg, New Jersey.

The New Jersey Water Environment Association is a non-profit educational organization dedicated to preserving and enhancing the water environment. Founded in 1915, the Association is the oldest organization of its kind in the United States. With a membership of 2,800 engineers, operators, scientists, students and other professionals, the NJWEA is an environmental leader in New Jersey.
