
TIDEWATER UTILITIES, INC. 2014 CHARITY GOLF OUTING TO BENEFIT SEVERAL VETERAN-SERVICE ORGANIZATIONS

Dover, DE - April 28, 2014 – Four Delaware veteran-related service organizations will be the beneficiaries of proceeds from Tidewater Utilities’ seventh Annual Charity Golf Tournament to be held **August 11, at Heritage Shores Golf Course** in Bridgeville, Delaware.

“The four organizations selected have very compelling stories of how they support the men and women who have defended our country,” said Jerry Esposito, president of Tidewater Utilities, Inc. “We are pleased that this event will help to support these organizations that each in their own way care for our veteran’s and their families,” added Esposito. Tidewater, which provides a wide range of water and wastewater services including consulting, contract operations and maintenance, and bulk water supply employs about 20 veterans here in Delaware. The four organizations selected are:

Delaware Veterans Trust Fund created in September 2013 to raise private funds to assist honorably discharged Delaware veterans who are in financial difficulty.

Delaware Veterans Home established in 2007 to provide long-term care services to Delaware veterans to uphold dignity and respect while sustaining and improving their quality of life.

Delaware USO lifts spirits of America’s troops and their families by providing morale, welfare and recreational-type services.

Sussex County Habitat for Humanity is dedicated to eliminating substandard housing locally and worldwide through constructing, rehabilitating and preserving homes. This year they will be conducting their second Military Build.

“This annual golf tournament was created to help Tidewater give back to the communities it has served during its 50 years in Delaware and we are very gratified to be part of this year’s event,” said Dave Skocik of the Veterans Trust Fund. “All of the money raised will be spent in Delaware to assist veterans and their families and that’s commendable.”
